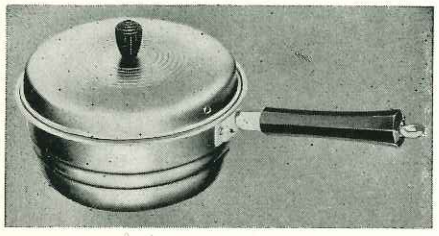
6¾ in. diameter TRIVET

2¼ qt. Covered SAUCEPAN



2½ qt. Covered SAUCEPAN

COVERED SAUCEPANS

One of the few utensils, around which the preparation of practically every meal revolves . . . now made more practical and beautifully modern by ever new-looking chrome. Polished chrome exterior, with bright chrome cooking surface. Flat bottom heating surface conserves fuel. Vapor-seal lid, with harmonious concentric circle design, fits snugly into modern square bead edge atop smart straight side walls of polished chrome. Big, comfortable, cool, non-twisting handles of ebonized wood. Available in three sizes . . . 3-quart, 2¼ quart and 2½ quart capacities. 2½ quart pan has new step-down sides. All three sizes of these sparkling chrome saucepans make a smash hit in any display.

TRIVET for Saucepans and Saucepots

This scientifically designed, triple tinned, easy to clean trivet is an extremely handy accessory, designed to fit any of the saucepans illustrated on this page, or the saucepots on page 5, the Five-Way Cooker, page 6, or Double Boiler and French Fryer bottom page 7. The addition of this trivet to any of these utensils makes them practical for use in cooking by the modern "waterless" method.

2¼ Qt. Covered Saucepot

2½ Qt. Covered Saucepot

COVERED SAUCEPOTS

Indispensable utensils in every kitchen . . . now "dressed up" in practical, beautiful chrome. Constant daily use cannot dull their sparkle. They never need scouring, and keep that new look for years. Smart, straight sides (on the 2¼-quart and 3-quart sizes); fuel conserving flat bottoms, and modern square bead top edges. Geometric lines debossed in sides, and also in the tops of sturdy, sure-grip chrome handles. Concentric circle design on lids and tops of handsome, composition knobs. 2½-quart pot has new step-down sides. They're sure-selling traffic-builders in any part of the country. Available in three popular sizes—2¼-quart, 2½-quart and 3-quart capacities.

5-WAY COOKER

One of the season's most ingenious combinations! Set consists of multi-purpose, 3-quart saucepan in gleaming chrome, a 2½-quart saucepot which has a hundred and one uses in the modern kitchen, and a snugly-fitting cover, topped by a heat-resistant composition knob. The 2½-quart saucepot, when equipped with its cover, may be used as an efficient and handsome casserole . . . without the cover it is ideal as a pudding pan, etc. . . . or it may be set within the larger pan, and thus form a perfect double-boiler. The 3-quart saucepan may be used with or without the cover, for a multitude of kitchen tasks. The gleaming chrome cover fits either utensil perfectly. Saucepot is equipped with sturdy, sure-grip, chrome handles at either side, while the saucepan has a big, cool, non-twisting handle of ebonized wood.

DOUBLE BOILER

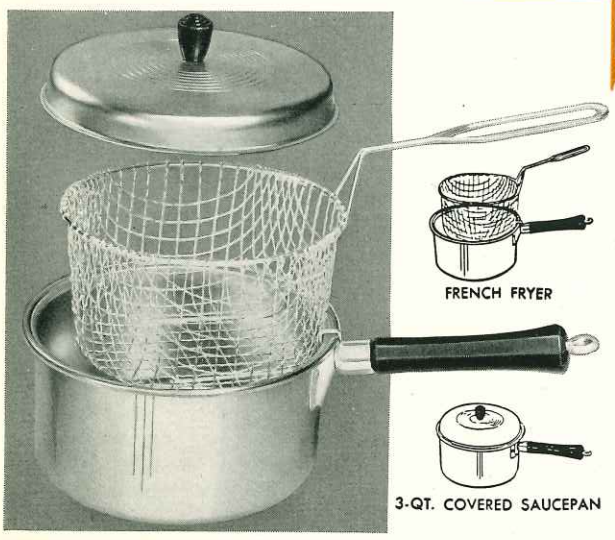
Big, full-family size, 3-quart bottom, with a 2½-quart inset, scientifically designed to present the greatest heating surface without bulkiness! Vapor-seal cover fits perfectly into modern square bead edge of either bottom or inset. Cool, comfortable, ebonized wood handles, placed just right for easy handling and sure-grip. Each of these two gleaming saucepans has a hundred and one uses. Used separately, or as a single unit, the new Double Boiler is a modern, efficient utensil. It's a "natural" . . . . a traffic-builder and profit producer in any house furnishing display.



Home on the Range

FRENCH FRYER

3 parts! Multi-purpose, 3-quart saucepan, triple-tinned mesh basket, and a graceful, snug-fitting chrome cover with cool, composition knob. Basket fits bottom and sides of saucepan closely, affording maximum capacity and thus making full use of cooking fat. Ingenious bracket at bottom of basket permits housewife to fasten it securely to top edge of saucepan for complete fat drainage. Equipped with cool, ebonized wood handle. Chrome never needs scouring . . washes as easily as glass . . . and keeps that "new" look for years! Keep these Everedy French Fryers in stock . . . they're year 'round steady sale utensils in any locality!

6-QUART COVERED KETTLE

THE NEW 6-QUART COVERED SAUCEPOT AND COVERED KETTLE

The largest and newest members of the Speedy-Clean family, these big, 6-quart vessels fill a definite need in any modern kitchen. Their extra large capacity enables the housewife to par-boil ham, fix savory stews, etc., with a minimum of trouble. They will not stain nor discolor, nor will use leave hard-to-clean rings about the bright chrome interior. Made of sturdy steel, and finished in gleaming, no-scour chrome—triple plated for long wear. Straight side and flat base design saves fuel. Modern chrome covers, fitted with heat-resistant composition knobs, fit snugly into square bead, vapor-seal top edges. Saucepot has two sturdy side handles; Kettle comes with heat-resistant, palm-fitting, ebonized wood grip, attached to center of bail handle.

No.	DESCRIPTION	Gauge Bottom	Top Diameter	Capacity in Qts.	Standard Packing	Weight Per Doz	Price

4-CUP POACHER AND FRYER SETS

Set consists of genuine Maryland Chicken Fryer, equipped with sparkling, self-basting dome cover, with heat-resistant knob, and cool, non-twisting, ebonized wood handle; and four modified square egg poacher cups, which fit snugly into pierced rack. Each poacher cup has a small, finger-tip handle. The deep, skillet-like base is ideally suited for deep fat, open or covered frying. The dainty egg poacher cups are just right for dual purpose use as jelly cups, frozen dessert molds, etc. Ingenious square shape makes eggs "fit" toast without messy edges. Display this handsome set prominently, and let its eye-catching brightness and obvious utility bring you quick, easy profits!

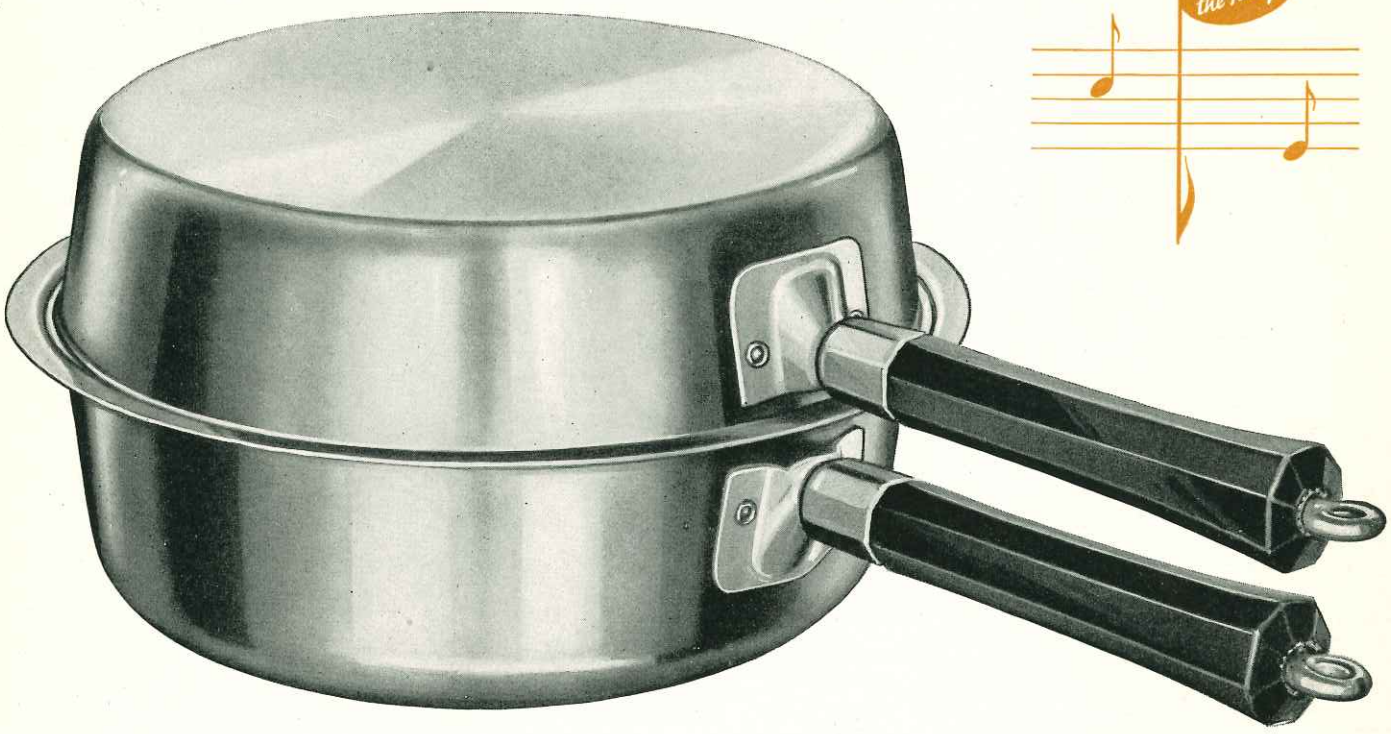
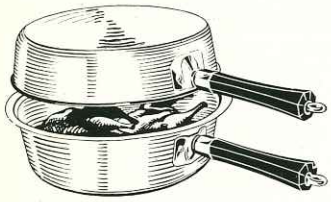
DUO POACHER AND SAUCEPAN SETS

(above)

This handy, many purpose set is composed of the famous Speedy-Clean Covered Saucepan (3 quart, 2¼ quart, or 2½ quart capacity), described on page 4 of this catalog, and a poacher tray with two cups. The poacher cups are exactly the same as those supplied with the 4-cup Poacher and Fryer Sets described on this page. This set is particularly ideal for small family use—the poacher cups are especially suited for warming small portions of many foods for babies and invalids.





COVERED FRYER

DEEP FAT FRYER

OPEN FRYING "SKILLET"

COMBINATION CHICKEN FRYER

The ideal utensil for every frying need—open, covered and deep fat frying. Base is regulation Chicken Fryer, fitted with large, non-twisting, ebonized wood handle. Snugly fitting top serves also as a skillet, and is equipped with same big, comfortable handle. Both units are heavily plated with sparkling chrome exterior and bright chrome cooking surface interior.

No.	DESCRIPTION	Gauge Bottom	Top Dia.	Capacity In Qts.	Standard Packing	Weight Per Doz	Price

OVENS AND ROASTERS

These perfectly proportioned cooking-serving utensils are practically limitless in their application to modern cookery. Bases and covers are sturdily made with polished chrome plated steel—triple plated for long wear. Exteriors bright chrome finish. Covers are self-basting, with heat-resistant, composition knobs.

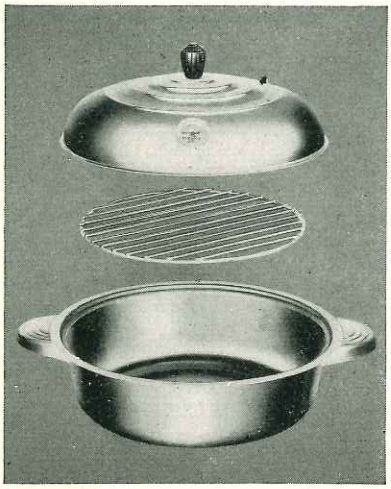
DUTCH OVENS—Are two-piece utensils—plain cover (no heat indicator) and bottom only, as shown in large illustration.

SURFACE ROASTERS—Three-piece utensils—plain cover (no heat indicator), trivet, and bottom. Especially suited to top-of-stove cookery.

THERMO OVENS—Two-piece utensils—cover, equipped with heat indicator, and bottom only.

THERMO ROASTERS—Three-piece utensils—cover, equipped with heat indicator, trivet, and bottom, as shown in illustration to left. Perfect for top-of-stove cookery.

All of these utensils are available in 2½ quart and 3 quart sizes—the three quart sizes are available in two different gauge bottoms. See specifications below for complete details.



HEAT INDICATOR

The practical, extremely useful heat indicator shown above is available only on Thermo Ovens & Thermo Roasters. Takes the "guess" out of cooking.

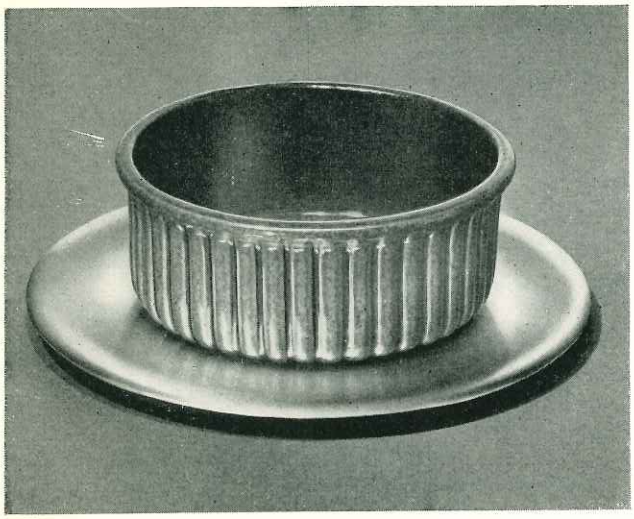
EVEREDY Brown Betty REG. U.S. PAT. OFF. OVEN PROOF CASSEROLES



RAMEKIN AND TRAY

Small, genuine oven-proof earthenware bowl, of Brown Betty Color, echoes faithfully the graceful design of the Modern Swirl Casserole, illustrated on page 19. Ideal for cooking, baking, and individual serving of hot foods, such as baked beans, spaghetti, soups, etc., as well as cereals, desserts, and many other things too numerous to mention. Bowl is 4½" in diameter at the top, and rests on a polished chrome plate (6½" in diameter). The plate may be used independently as bread and butter plates, dessert service plates, etc.

NOTE: This item is packed only in bulk, (6 trays and 6 bowls to one carton) and is sold only in that manner.

SPECIAL CASSEROLE

The perfect answer to the desire for old-time cooking results, combined with the craving for new, modern beauty in the kitchen. Full family size, (1¾ quart capacity) genuine oven-proof, earthenware bowl, in lustrous Brown Betty Color, is set in a beautiful base of gleaming, sparkling chrome. Topped by graceful cover, in polished chrome, which fits snugly into step-down lip of bowl. Cover has brown heat-resistant composition knob, to harmonize with color of bowl and handles. Two handles on chrome base make it easy to carry the steaming bowl direct from the oven to the table. A stand-out item in any display!

No.	DESCRIPTION		Weight Per Doz.	Packing	Price
9730	Special Casserole (3 pieces)	BROWN BETTY COLOR ONLY	51#	Indv.	$.....
9731	Special Casserole (3 pieces)		46#	Bulk	$.....
9732	Bowl		32#	Bulk	$.....

PACKING: These items are packed in two different manners. Those marked "Indv." in packing column above are packed one complete item in an individual corrugated shipping carton. FLUTED CASSEROLES

(2 QUART CAPACITY)

The eye-catching beauty of a genuine old-fashioned oven-proof earthenware bowl in lustrous Brown Betty color, or in Green, Yellow, Burgundy or Blue pastel colors, has been handsomely combined with smart, modern chrome to produce a harmonious cooking-serving utensil of unusual beauty and practicability. Dome-shaped, polished chrome, flavor-saver cover is equipped with grooved, heat-resistant composition knob, which matches the color of the oven-proof earthenware dish. Polished chrome handles, firmly attached to the modern, straight-sided, pierced base. Heavy rim of the earthenware bowl has been accented by classic fluting. 2 quart capacity.

MODERN SWIRL CASSEROLES

(1½ QUART CAPACITY)

Here is the item that has caused such a furore in the cooking-serving utensil field. A handsome piece . . . at home in any table setting and extremely practical in the oven. The 1½ qt. genuine oven-proof earthenware bowl has gracefully serrated sides, flaring at the top to support a symmetrically curved cover, topped by a heat-resistant composition knob. The oven-proof bowl (available in rich Brown Betty color, or in the new Blue, Yellow, Green or Burgundy Pastels) rests on a wide (11¼" diameter) platter base of polished chrome, tastefully relieved by a swirl design, which is repeated on the cover. Platter base may be used as a multi-purpose tray for many occasions. A sales winner in any home furnishing offer.

OVEN PROOF

PIE-SEROLE

(below)

Made for your customers who long for deep dish pies like they used to get "out at grandma's." Oven-proof, deep pie plate, in genuine Brown Betty oven-proof earthenware, modernized by the addition of a base of shining chrome, and made easier to use at the table by two easy-grip handles to match the sparkling chrome finish of the base, to which they are firmly attached. Full 1½ quart capacity.

CASSEROLE

(above)

An extremely handsome combination of genuine, old-fashioned, oven-proof earthenware, and brilliant, modern chrome. Earthenware bowl is of famous Brown Betty color, topped by graceful cover in sparkling chrome. Bowl rests on simple streamlined base of polished chrome. Two sturdy, chrome handles are firmly attached to base. Large 2-quart capacity makes this an extremely useful cooking-serving utensil for a large family. A brand new item . . . yet its cooking qualities have been proven by good cooks for generations!
